This is Germany,
Where politicians are open to bribery
Instead of buying faster more
vaccines and quick tests.
This is Germany, where everyone wants easings,
when the third wave is waiting.
This is Germany,
where investing in military is more
important than investing in
education or health during a pandemic.

This is Germany,
where we have more than 1 million millionaires,
but also 12 million people who are poor
or in danger of becoming poor.
This is Germany,
where major companies apply short-time allowance
from tax money, but pay off a billion euros
dividends only for one family.
This is Germany,

where racism and anti-Semitism are
present again in public and extreme right-wing
politicians become more and more popular.

This is Germany,
where women are still paid unequally when
they have the same jobs and work the same time.
This is Germany,
where homosexuals are still treated unfairly
and do not have the same rights as heterosexuals.
This is Germany,
where pastors, bishops and clergymen rape and abuse
underage girls and boys.
This is Germany,
Where these affairs in the Catholic Church are still hidden
and not enlightened.
