

This is Germany

by Tom Prill

(Chorus)

This is Germany,
gap between wealth and poverty,
gap between wealth and poverty,
fights for his property,
between wealth and poverty,
injustice and liberty,
for his property,

huge
huge
Everybody
huge gap
living between
Everybody fights

(Verse 1)

This is Germany,
driving fast in slow areas,
can catches us,
we crash into bus,
nobody catches us,
is Germany,
beer is more loved than their mommy,
to make money,
of milk and honey,
we love is party,
Germany

We're
Nobody
Maybe
But
This
Where
goal is
land full
only thing
This is

(Chorus)

This is Germany,
gap between wealth and poverty,
gap between wealth and poverty,
fights for his property,
between wealth and poverty,
injustice and liberty,
for his property,

huge
huge
Everybody
huge gap
living between
Everybody fights

is the thing they try to defend,
to shoot at our border,

Naidoo, Hildmann, Wendler,
in a new world order,
people have their back,
waving an imperial flag,
to storm the government,
stopped by justment,
Germany,

believe
many
and are
they tried
but got
This is

(Chorus)

This is Germany,
gap between wealth and poverty,
